

כל ישראל ערבים

You sense it, you feel it, you know it,
 No matter where you are
 This nation – we have that connection
 And it's strong – from near or far
 Even when we journey, we are never all alone
 Cause amidst our people we are home
 One heart we share
 One voice in prayer
 To help our brother when there's need
 We give our hand
 With them we stand
 We know united we'll succeed

Chorus

Am Yisroel singing together as one entity
 We are conscious of are collective responsibility
 A single deed affecting the future have is destiny
 כל ישראל ערבים זה לזה.

Yes we share the laughter and tears of Yidden everywhere
 Our sacred values have us bound – a covenant so rare
 Throughout the ages we've preserved this bond with special care
 כל ישראל ערבים זה לזה.
 One mitzvah! One chessed!
 Can temper what we're dealt
 Just one single action
 Across the world is felt
 כאיש אחד בגוף אחד
 We're all part of one whole
 We share one heart and one soul

עשה מצווה למד תורה
 שנה פני העולם
 הדרך שלנו היא
 "ודברת במ!"
