

# Best choice

- Strong initial tack
- Paintable

# TOP GRIP

## USA WOOD GLUE

### PROFESSIONAL

4 kg. net one gallon

## TOP GRIP

The professional glue for interior woodworking. TOP GRIP is ideal for furniture assembling and cabinetry. Specially designed for hard and soft woods, and other porous surfaces. Good for edge glueing.

- Fast setting
- Good gap-filling strength
- Good sanding properties
- Cold press
- Recommended for interior use

**DIRECTIONS:** Surfaces must be clean and dry. Apply the glue to the surface. Working time is around 15 min. Claming is not necessary. Remove excess wet glue with clean wet cloth. Joints must be left for 24 hours, for the bond to reach full strength.

**produce for ADR TRADING LDT**

Storage: room temperature. **KEEP FROM FREEZING.**

Shelf life: 1 year.
