

Setting Illustrator Patterns

Open Adobe Illustrator. Go the Swatches panel (**Window > Swatches**), open Swatches panel menu, select **Open Symbol Library > Other Library**, then browse the file called 'Patterns' (**Aquaflow > Illustrator > Patterns**).

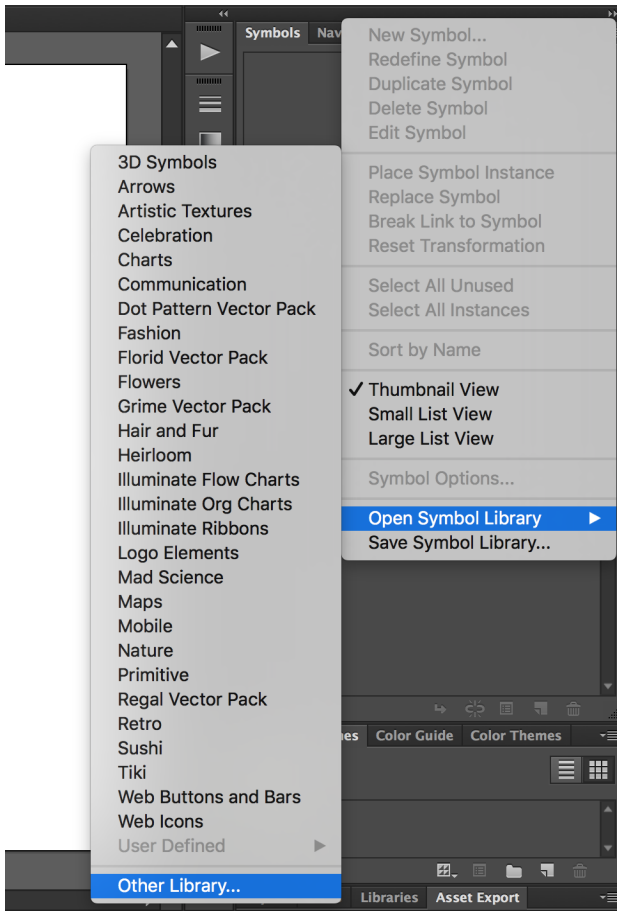

You get the panel 'Patterns'. Select them (**select first pattern with left mouse button, holding Shift and select last pattern**) and add to your Swatches panel (**Swatches panel menu > Add to Swatches**).

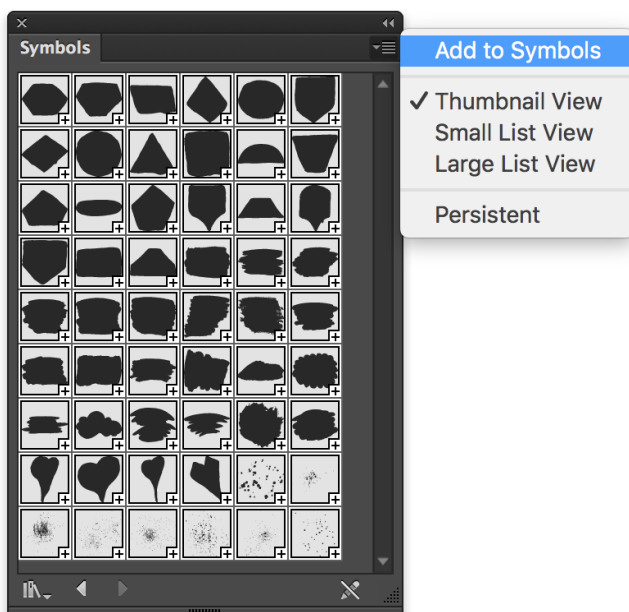

Setting Illustrator Symbols

Open Adobe Illustrator. Go the Symbol panel (**Window > Symbols**), open the Symbol panel menu, select **Open Symbol Library > Other Library**, then open the file called 'Symbols' (**Aquaflow > Illustrator > Symbols**).

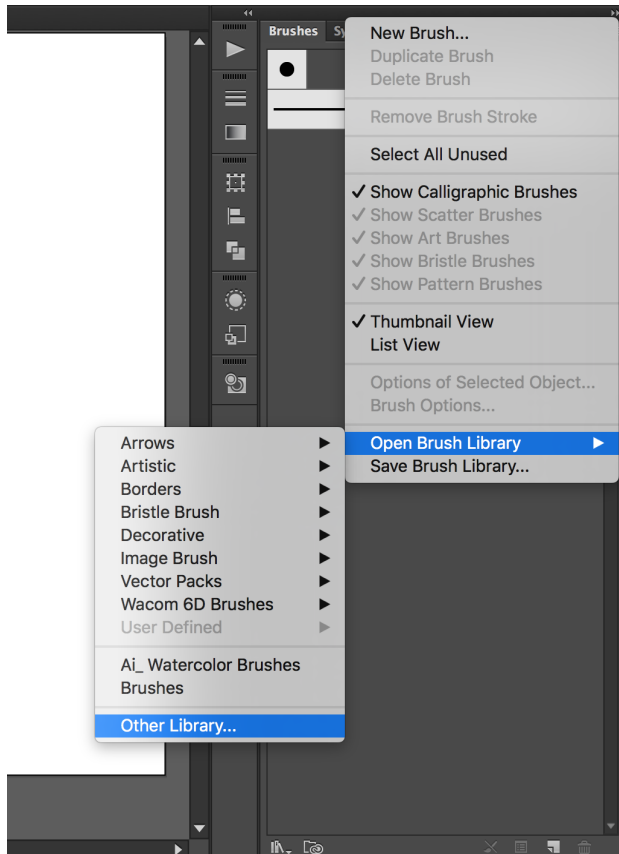

You get the panel 'Symbols'. Select them (**select first symbol with left mouse button, holding Shift and select last symbol**) and add to your Symbol panel (**Symbol panel menu > Add to Symbols**).

Setting Illustrator Brushes

Open Adobe Illustrator. Go the Brushes panel (**Window > Brushes**), open the Brushes panel menu, select **Open Brush Library > Other Library**, then open the file called 'Brushes' (**Aquaflow > Illustrator > Brushes**).

You get the panel 'Brushes'. Select brushes (**select first brush with left mouse button, holding Shift and select last brush**) and add to your Brush panel (**Brush panel menu > Add to Brushes**).
