### Brilliant additional shelf \* drawer

Reviewed in the United Kingdom on 5 March 2020

**Verified Purchase**

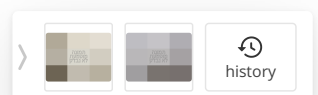

These are well made and are very useful. The draw is not on runners or anything but just slides out when pulled with the handle on bottom. As long as you don't yank too hard the

I brought this product for my Mrs our house lacks space and storage so this product fits nicely on the wall with a foldable stool to give her a place for her makeup stuff.

**Quality is very disappointing**

Reviewed in the United Kingdom on 17 November 2020

**Verified Purchase**

Dispatched and delivered really quickly and quite sturdy. However, for the price, I would have expected the drawer to at least have runners! The drawer comes right out and isn't on anything, so doesn't glide smoothly when opening. The only reason I paid so much in the first place is because I have a small space so needed specific measurements. Very disappointing in terms of quality.

Needs something to stop the drawer falling out. I had to put screws on the bottom to act as a catch
