25 Dot-to-Dot Puzzles for Kids

Dear parents and puzzlers,

As many of us continue to face quarantine and school closures, we wanted to create a puzzle book for kids. This print-friendly PDF book has a variety of dot-to-dot puzzles that will help keep their minds focused and hopefully, provide the parents with a tiny bit of quiet!

The Dot-to-Dot puzzles in this book are also available as online games at conceptispuzzles.com as well as mobile apps for iPhone, iPad and Android which offer more free puzzles including new ones published every Friday.

We hope your kids enjoy the puzzles as we make the best of this new reality, and wait for better days.

Stay safe and healthy!
