

IMPORTANT INFO COVID-19 – PUBLIC HEALTH RESTRICTIONS

FACE MASKS AND TEMPERATURE CHECKS

It is mandatory to wear a face mask/covering, at all times, in the airport and on board your flight. Some countries require passengers to wear surgical face masks at the airport and on-board the aircraft. It is your responsibility to check local requirements before travelling. If you are travelling to, from or within Italy, this must be a surgical face mask or you may be denied boarding. You may also be required to have your temperature checked at the airport, prior to security. If you do not pass this temperature check you will not be permitted to travel on public health grounds.

TRAVEL DOCUMENTATION

You must ensure you are aware of any additional travel documentation that you need for every country you fly to. It is mandatory that you complete these before your trip and bring them with you. Failure to present the additional documentation that is required, as a result of Covid-19, will result in your entry being denied. Please check what's required with local authorities before you travel.

IF YOU REFUSE TO COMPLY WITH THE ABOVE RESTRICTIONS, YOU WILL NOT BE PERMITTED TO TRAVEL ON PUBLIC HEALTH GROUNDS
