

**STEP 1.**

Firstly before you want to draw a camel, maybe it would be a helpful extra, if you know, what's about his anatomy. The first page will be about the camel anatomy for the beginning.

**STEP 2.**

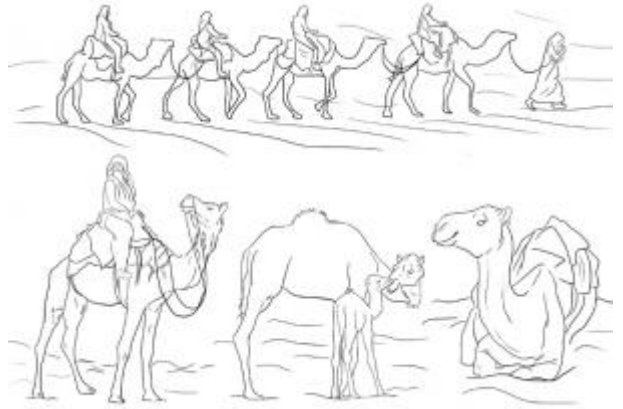

Here the extra page about the camel types, now you are free to choose which your favourite.

*Camel Species :*

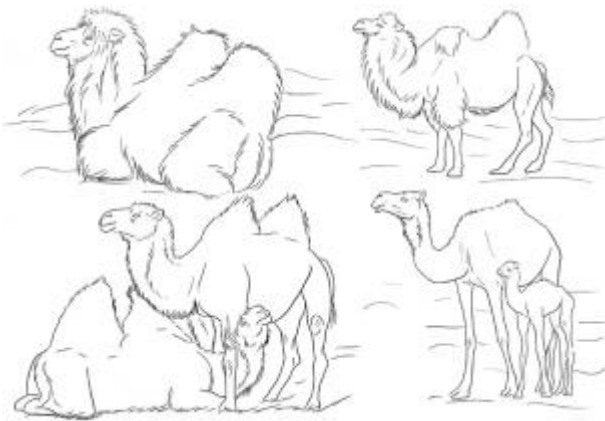

**STEP 3.**

Here a little help if you want to draw a walking, moving camel on your drawing it would be really helpful for you then!

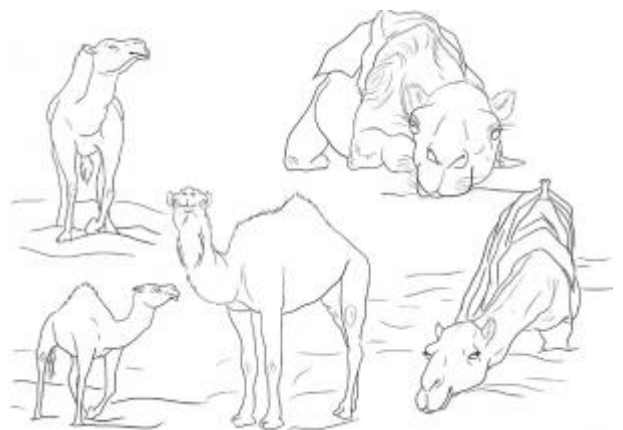

**STEP 4.**

As an extra here a picture about the caravan, it's a usual piece of pictures about camels. They are really useful in the desert for people.

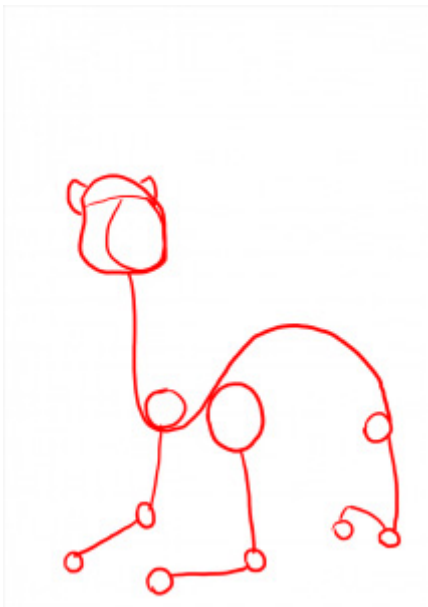

**STEP 5.**

Here some pose for the camel drawing, maybe you will have more idea for them, if you see these references.

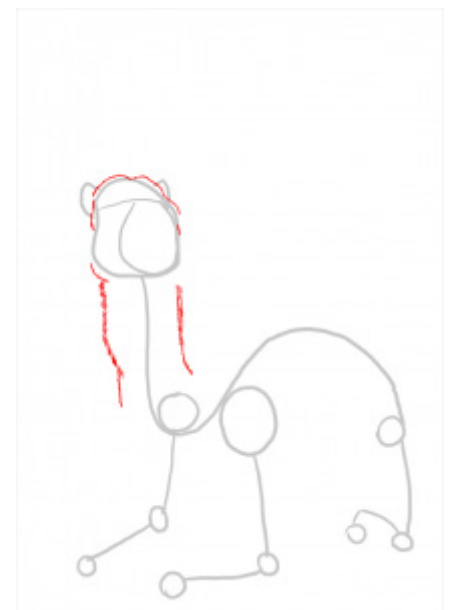

**STEP 6.**

And here some pose/view about them too. Aren't they cute?

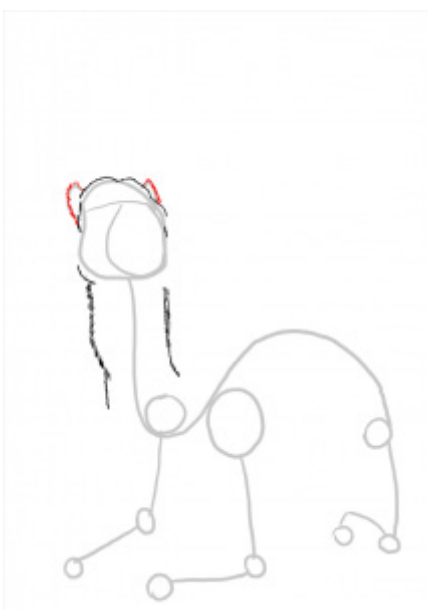

**STEP 7.**

Let's start the "How to draw Camel" part! Now, start to draw the base lines. This is helpful, that you can draw the base form of the body.

**STEP 8.**

Firtsly, draw the main line of his head and his neck.

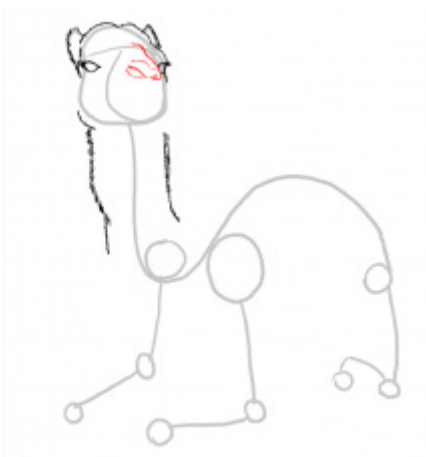

**STEP 9.**

And now, draw his little ears, you only need to draw the base lines, as they are really small, you don't need to draw big details.

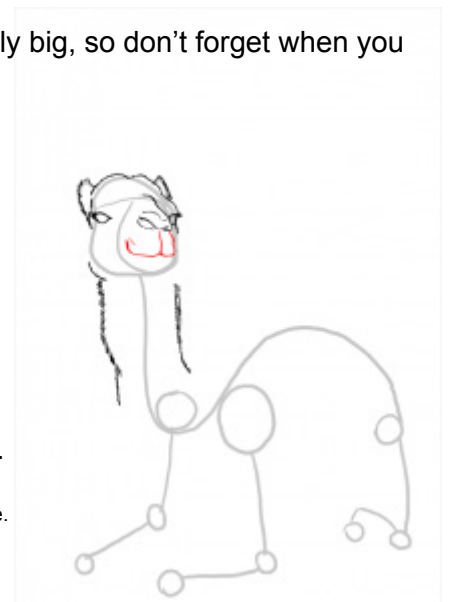

**STEP 10.**

As the next step in this tutorial, draw his eyes!

**STEP 11.**

And now, the next one is his nose. It's important, that their noses are really big, so don't forget when you draw.

**STEP 12.**

And now, draw his mouth. It's usual looks like, that he is smile.

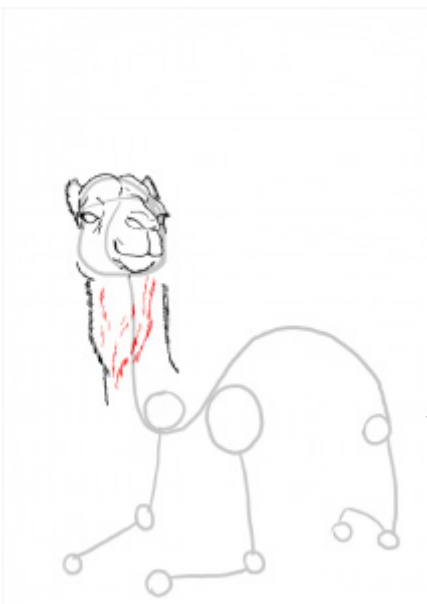

**STEP 13.**

Draw the little details around his eyes.

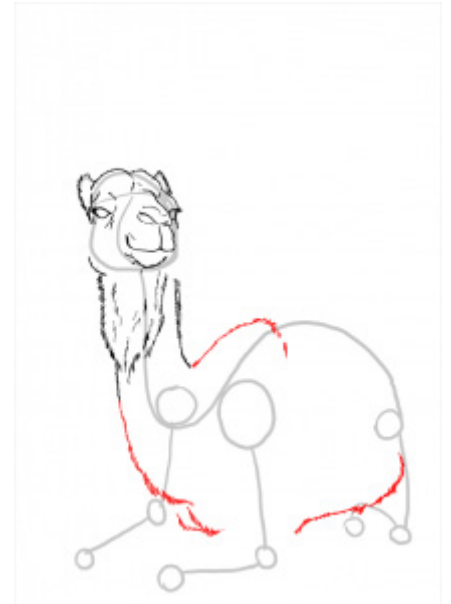

**STEP 14.**

Now draw the little details on his head, and finish his mouth too!

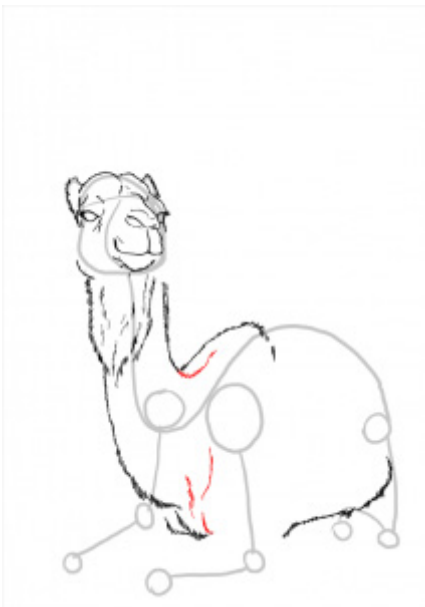

**STEP 15.**

And as the finishing part of the head drawing, draw the little fur details on his neck.

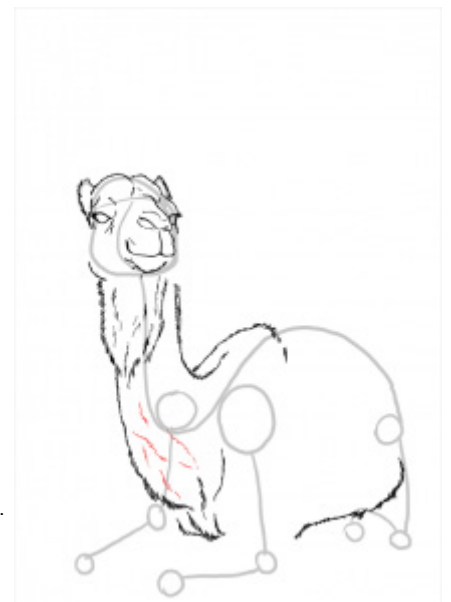

**STEP 16.**

And now, draw the base lines of his body. You need to don't draw a part of this, because it will be important later in the drawing.

**STEP 17.**

Draw the separate lines on his shoulder and legs too!

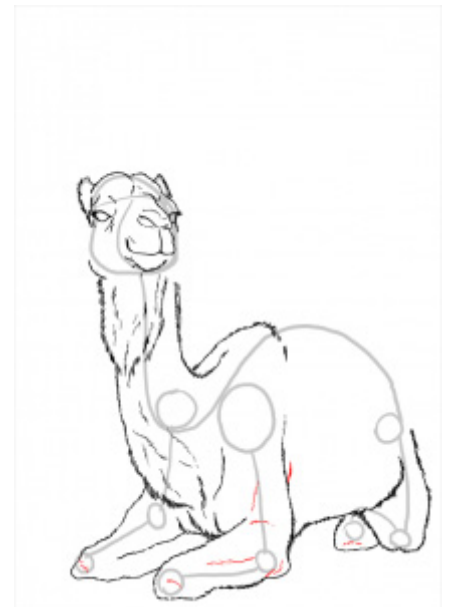

**STEP 18.**

And now, draw the little details on his body too, this is the last step from this part now.

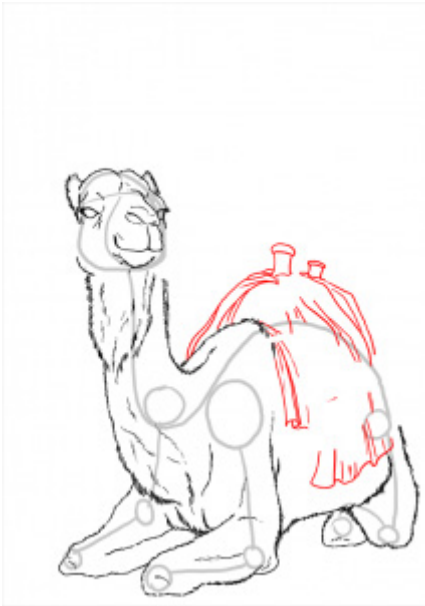

**STEP 19.**

And here come the next bigger part of the camel drawing! Draw the base lines of his legs!

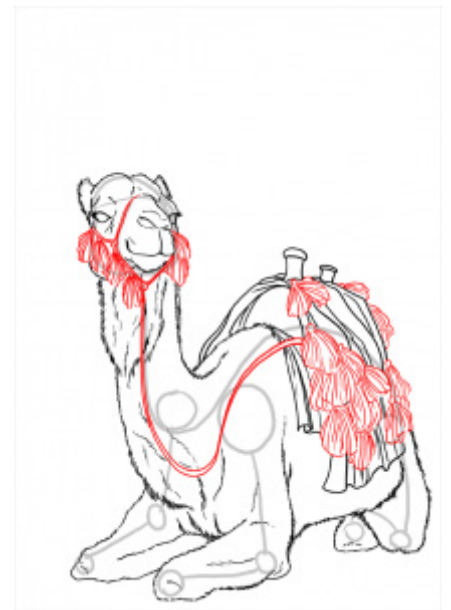

**STEP 20.**

And now, draw the little details on his legs part, now you can see well how beautiful can be a camel. And he can more beautiful? Yeah, see you in the next part!

**STEP 21.**

As an extra, and as the “Desert’s boat” he need a saddle. Draw this, as you can and would you like. It’s your choice.

**STEP 22.**

And now, draw a lot of beautiful ornament on his saddle. They are more beautiful with these little details

for him, as you want. I really enjoy to draw this tutorial, I hope, you like it too. Great work, guys!

**STEP 23.**

You are done! Now go, and color him, as you want. I really enjoy to draw this tutorial, I hope, you like it too. Great work, guys!
